

The Do's & Don'ts of Extension Aftercare

- **DO** keep your extensions tangle-free by brushing them several times a day. Be sure to brush properly, holding the roots to prevent pulling on the bonds.
- **DO** use a heat protectant spray when using hot tools to style your hair.
- **DO** sleep with your hair pulled back in a braid or loose ponytail to avoid tangling.
- **DO** pre-book your extension follow up appointments for removal/reinstallation.
- **DON'T** use conditioner or oils/serums directly on your scalp, in order to avoid contact with the tape.
- **DON'T** shampoo, wet hair or exercise to the point of perspiration for 48 hours after application, as the bond needs

Extension Drop Off Service: \$50

This service helps elongate the life of your Babe™ tape-in extensions and includes removal of all old tape & adhesive residue, as well as re-application of new Babe™ tape. Then, they are then cleansed and deeply conditioned so they are refreshed and rejuvenated. It's like sleep-away camp for your extensions!

Extension Removal Options

In-Salon Removal:

This pricing is for removal of the extensions only. If you are in need of a wash or style, please book accordingly!

Level 1: \$100

Level 2: \$150

Level 3: \$200

At Home Removal:

Babe's Tape-In Bond Remover allows you to remove your own extensions without a visit to the salon. (Available for purchase with us!) We found a very useful video to walk you through the removal process. Just scan this QR code with your phone's camera to view:

Reinstallation:

For reinstallation, your extensions need to be 100% clean, and free of any old tape or residue. They should be shampooed, conditioned, dried, brushed, and ready to go! If they are not completely installation-ready, an additional charge will be applied for your stylist's time.

Babe™

Hair Extensions

BEFORE and AFTER

At Salon in the Tower, we exclusively use Babe™ Tape-In Extensions. This extension method uses medical grade adhesive to seamlessly add both length and volume to your natural hair. The medical grade adhesive is designed for hair, so with proper care, tape won't weaken until you're ready to remove it with the help of our trusty Tape-In Bond Remover. And best of all, these extensions can be reused over and over!

Installation Costs:

Installation levels vary on the amount of hair extensions & time needed to achieve the desired look. *The pricing below does not include a wash or style. If you are in need of these services, please book accordingly!*

Level 1: \$100
Level 2: \$150
Level 3: \$200

Babe™ Tape-In Hair Costs:

Each extension pack contains 10 pieces. On average, most people need 3-5 packs, depending on the length/thickness of the existing hair, and the desired look.

14" extensions: \$76/per pack
18" extensions: \$101/ per pack
22" extensions: \$128/ per pack

Extensions must be purchased at time of consultation & are non-refundable

Common Questions:

Q: How do I make an appointment?

A: We require a complimentary consultation in order to color match your hair and determine how many packs of hair will be needed. Then, we can order your hair extensions and book your appointment !

Q: How long are the extensions?

A: Babe™ offers tape-in extension varieties in 14", 18", 22" straight.

Q: How long do they take to install?

A: Between 30-90 minutes

Q: How long do they last?

A: You can typically keep them in for 6-8 weeks or longer, with proper care.

Q: Can my extensions be colored?

A: Extensions are typically matched to your existing hair color, but you can have them colored if you would like a change. While we cannot lighten extensions, we do offer an all-over color service if you would like them darker. (At an additional charge).
